

BarberHub — Platform Terms and Conditions

Document current as of 2025. Version 1.0.

Source: Platform_Rules.pdf

1. About the BarberHub Platform

BarberHub is an online aggregator and marketplace for finding and booking barbershops and beauty salons in Almaty and other cities of Kazakhstan. The platform connects clients and masters, providing a convenient interface for viewing portfolios, prices, and available times.

BarberHub is NOT a direct employer of masters and is NOT responsible for the quality of services provided. We provide a technological platform.

2. Booking Procedure

- 2.1. The client selects a salon, master, service, and convenient time through the BarberHub application or website.
- 2.2. After booking confirmation, the client receives a notification via email and/or SMS with booking details (salon address, master's name, time, service).
- 2.3. A booking is considered confirmed only after receiving a notification with a confirmation code from BarberHub.
- 2.4. A client can have no more than 3 active bookings simultaneously.

3. Payment for Services

IMPORTANT: BarberHub does NOT accept payments and is NOT a payment system.

All payments for services are made ONLY directly at the salon after the service is rendered. Acceptable payment methods are determined by each salon individually:

- Cash (tenge)
- Bank card (Visa, Mastercard, Mir)
- Kaspi Pay, Halyk Pay
- Transfers via Kaspi Gold

BarberHub does not store client bank card data and does not process transactions.

4. Cancellation and Rescheduling Policy

- 4.1. The client has the right to cancel or reschedule a booking no later than 2 hours before the appointed time — without penalties.
- 4.2. Cancellations less than 2 hours before the visit may be marked as 'late cancellation' in the client's profile. Three consecutive late cancellations may result in temporary blocking of the booking function for 7 days.
- 4.3. In case of a no-show without warning, the salon has the right to add the client to a restricted access list.
- 4.4. The salon may also cancel an appointment in case of force majeure. In this case, the client will receive a notification and an offer for an alternative time.

5. Rules for Clients

- 5.1. Arrive on time. Lateness exceeding 15 minutes may result in cancellation of the booking at the master's discretion.
- 5.2. Adhere to salon rules during visits (cleanliness, respectful attitude towards staff and other clients).
- 5.3. It is prohibited to use the platform to post false reviews or manipulate ratings.
- 5.4. The client is obliged to provide accurate contact information upon registration.
- 5.5. One account — one physical person. It is prohibited to create multiple accounts.

6. Rules for Partners (Salons and Barbershops)

- 6.1. Platform Registration: To connect to BarberHub, it is necessary to pass verification (IIN/BIN, license, salon photos).
- 6.2. The partner is obliged to maintain an up-to-date schedule in the system and promptly close unavailable slots.
- 6.3. The platform commission is 0% of the service cost. BarberHub monetizes through promotions (featured listings) and premium subscriptions for partners.
- 6.4. The partner bears full responsibility for the quality of services provided, compliance with sanitary standards, and staff conduct.
- 6.5. It is prohibited to use BarberHub for services not related to hairdressing or cosmetology services.
- 6.6. The partner has the right to decline a client on legitimate grounds, notifying them through the platform no later than 3 hours before the visit.

7. Confidentiality and Data

BarberHub processes clients' personal data (name, phone, email) in accordance with the Law of the Republic of Kazakhstan 'On Personal Data and their Protection'. Data is used solely for the functioning of the platform and is not transferred to third parties without the user's consent, except in cases provided by law. The client has the right to request the deletion of their data through support.

8. Support and Feedback

Support email: support@barberhub.kz

Working hours: daily from 09:00 to 21:00 (Almaty, UTC+5).
